## *Live for Christ . . . Learning - Loving - Leading*

### JESUS LOVES THE LITTLE CHILDREN!

Okay, maybe teens don't want to be called "little" children anymore, but we know better. They are children. They are still dependent on their parents and other adults for life's necessities. While it is true they are advancing rapidly toward adulthood, they still – in many respects – are children. Meditate on Jesus' words as recorded in Matthew 18:12-14: *What do you think? If a man owns a hundred sheep, and one of them wanders away, will he not leave the ninety-nine on the hills and go to look for the one that wandered off? And if he finds it, I tell you the truth, he is happier about that one sheep than about the ninety-nine that did not wander off. In the same way your Father in heaven is not willing that any of these little ones should be lost.*

Jesus emphasizes his great love and concern for children. Each and every teen being served at KML is precious to God. He loves these "little" children and works to keep them safe in his family of believers forever. It is our privilege to partner with God and with you in this great work – to teach children about Jesus and his love for them as their Savior. Jesus commands us not to "look down on one of these little ones." Rather, he wants to pass down to them the knowledge of salvation through faith in him. This is the most important thing that parents and teachers can do for them. In the end, all that really matters is that they know and believe that Jesus is their Savior so that they can be in heaven for eternity.

### COME TO OUR OPEN HOUSE

KML will be hosting an *Open House* on Sunday, November 13, from 1:00 – 3:00. All are invited. We would enjoy the opportunity to welcome KML federation families who are looking ahead to high school. We would also encourage those in the KML family and federation to share this event with neighbors and friends who may be looking for a high school for next year or in following years.

### PARENT SURVEY RESULTS

As has been published in recent months, KML conducted a parent survey last spring. Parents were surveyed in four categories: Mission and School Climate, Administration, Academic Program, and Faculty and Instruction. A summary of the results for the multiple choice questions can be found at [www.kmlhs.org/survey](http://www.kmlhs.org/survey). If you haven't taken a look at the survey results, please take a moment to do so.

The survey also allowed for parents to submit narrative responses within the four categories as well as an opportunity to share any final thoughts with us. We appreciate all of the feedback we have received. The faculty spent a good portion of their summer meetings going through the survey results as we strive to ever improve our ministry service. In various newsletter issues throughout the rest of our school year, we will address some of the more popular topics that rose to the surface.

### WALE CONFERENCE

Our annual Wisconsin Association of Lutheran Educators (WALE) conference is set for Thursday, October 27, at Wisconsin Lutheran College. We look forward to this time as an opportunity for spiritual and professional growth, as well as a time to enjoy fellowship with educators from other Lutheran high schools. Our teachers will spend Friday, October 28, on our campus, participating in professional growth activities. **There is no school on Thursday and Friday, October 27 and 28.**

### OCTOBER OFFICE HOURS

The KML office will be open from 9:00 - 1:00, Monday, October 3 and Thursday and Friday, October 27 and 28. Regular office hours of 7:15 - 3:45 will be observed all remaining business days throughout the month.

## PLEASE JOIN US FOR OUR VETERANS DAY SERVICE!

We are once again honored to host a special *Veterans Day* program this year. All are welcome to join us on Thursday, November 10, at 9:20am, in our gymnasium. The program will last 45 to 50 minutes. All veterans, active military and their families are most welcome as our honored guests. Pastor Michael Helwig from Crown of Life, Hubertus, will be our guest speaker. If you have family members or friends who are veterans, active military, or military family, please invite them to this special program. Everyone who plans to attend is asked to make reservations by contacting Wendy Zimmermann at 262-677-4051, ext. 1101 or at [wendy.zimmermann@kmlhs.org](mailto:wendy.zimmermann@kmlhs.org). If you leave a message, please give us your name, phone number, and the number of people who will be attending. We look forward to having you join us.

### SIGN UP NOW FOR THE *AlertNow* COMMUNICATION SYSTEM

Keeping parents informed remains a high priority at KML. Last year, to improve our communication to parents, we added the *AlertNow* notification service which allows us to send telephone, text, and e-mail messages to parents, providing important information about school events or emergencies. We also use *AlertNow* to notify parents of school delays or cancellations due to inclement weather. The system can be used for other communication purposes as well. For example, we can use *AlertNow* to let parents know about changes in sports schedules like rainouts in our spring sports season or game cancellations. Parents of students in the many groups and activities can also be contacted with reminders and other important information. **Parents, if you have not yet signed up for *AlertNow*, please do so right away.** You can sign up through your child's *PowerSchool* account. Please call the school if you need help with the sign-up process.

### FOGGY WEATHER PROCEDURES

This is the time of the year in which we can have heavy fog from time to time. If we have a late start due to fog, parents will be notified through the *AlertNow* communication system. Parents can also listen to the radio and TV for any announcements about late starts or check the media websites. Because the public school districts provide busing for many of our students, whenever the public schools in the West Bend School District start late, KML will also start late. Usually, if this district has a regular start time, then we also have a regular start time. The decision for a late start will be announced as early as possible.

Visibility can vary dramatically from one end of our region to another on foggy days. Parents, if there is heavy fog in your area and you haven't heard a "late start" announcement, you should use your best judgment in making a decision. The decision is yours. Only drive your child(ren) to school – or let them drive or ride with someone else – if you believe it is safe to do so. We will support whatever decision you make.

### PREVENTING STAPH SKIN INFECTION

Thankfully, we've had very few cases of staph skin infections over the past few years. We want to remain diligent in taking preventative measures, and our janitorial personnel will be taking the necessary preventative steps. Our coaches also regularly remind our student athletes to take proper precautions. We also ask our families to help as well. Following are some common sense tips that families/students can use:

- Wash hands thoroughly and often with soap and water.
- Keep cuts and abrasions clean and covered with a bandage until healed.
- Do not share personal hygiene items, clothing, uniforms, or towels.
- Shower with soap and water immediately after each practice or game.
- See a physician promptly if you have a suspicious skin sore or a sore that is not healing.
- Inform the school if you have a confirmed case of a staph infection.

## COLLEGE VISITS

A great way to get to know if a college is the "right fit" for a student is to participate in an actual campus visit. A golden opportunity for making campus visits is coming up at the end of October when we have no school because of the WALE Conference. The dates for your college visits would be October 27-28.

## October 20 & 21...Grandparents' Day at KML.

Grandparents are invited to join their grandchildren for a day of school. Come either Thursday or Friday. Arrive between 8:00 and 8:15am and join us for coffee and sweet rolls, followed by special entertainment and chapel with your grandchildren. Then spend the day with your grandchildren (including lunch on KML).

**Registration is requested by October 8** so that arrangements can be finalized. Registration forms are available at the high school or on line at [www.kmlhs.org](http://www.kmlhs.org) This event is a highlight of our year, with more than 270 grandparents joining us last year. We look forward to having even more this year!

## PLEASE JOIN US AS WE ASK FOR GOD'S BLESSING ON OUR 37<sup>TH</sup> YEAR OF SERVICE TO CHRIST.

A lot has been happening at your high school! Have you heard? We have exceeded the \$3 million benchmark in our Walking the PATH Together Campaign. To God be the glory!!

We ask his continued help and blessing on what is needed to pay down our debt and move forward with the chapel auditorium. The General Board will meet in November to determine our readiness to break ground.

Are we ready to build the KML Chapel Auditorium? Every gift given today will result in less we need to borrow in the future. Every pledge will ensure long term stability in debt reduction. **Have you returned your KML Walking the Path appeal? If not, please read it and prayerfully consider how you can make a difference.** We appreciate every prayer and gift that honors our Lord.

The Board of Directors has entered a contract with a new architect, Plunkett Raysich. This firm will save us money on fees and already has a working relationship with our construction company, Catalyst Construction. We are excited that we are getting closer to our goal!!

*Ephesians 3:20-21...Now to him who is able to do immeasurably more than all we ask or imagine, according to his power that is at work within us, to him be glory in the church and in Christ Jesus throughout all generations, for ever and ever! Amen.*

Allow us to share a testimonial from one of our KML alumni, a new donor to the PATH campaign who now has an engraved stone that will be part of the project.

### "Jesu Priceless Treasure"

**I have chosen "Jesu Priceless Treasure" for our stone because it represents the musical aspect of the new auditorium, while at the same time reminding us of what is really important. As a member of the 2006 Kettle Moraine Lutheran Concert Choir, we performed a JS Bach setting of the hymn Jesu Priceless Treasure. It was my most enjoyable song of three years in the Choral Program and we were performing it at the height of the effort to go through with the auditorium building project. Songs like these inspired me as well as many others to want to work towards a greater space for the music programs at Kettle.**

**When completed, this auditorium will be a beautiful expansion to a high school that caters to the spiritual well-being of its students. The auditorium won't be what is actually important, but the students inside of it and the message that is taught to those students and brought forth by them through their music. This is what Jesu Priceless Treasure expresses in its words. "Hence all earthly treasure, Jesus is my pleasure. Jesus is my choice." One cannot put a price tag on Jesus or His amazing love for each and every one of us. As wonderful as this auditorium becomes, remember that the real treasure lies in Christ.**

Please click on the links below to see how you can get your own stone and make your donation online.

### TASTE OF MINISTRY TEACHER PROGRAM 2011

Thursday and Friday, October 13-14, KML seniors will be visiting schools and classrooms throughout our federation. Teachers have graciously volunteered to host our students during those school days. This wonderful opportunity enables our students to experience the classroom from the other side of the desk. It is our prayer that the Lord will lead some of these young Christians into the teaching ministry.

### MLC TRIP – NOVEMBER 2011

This year's trip to Martin Luther College in New Ulm, Minnesota, our synod's college of ministry, will take place November 3-5. Sophomores, juniors, and seniors have the opportunity to travel to MLC, stay in the dorms, participate in an activity night at the Vogel Arena near campus, attend the musical *She Loves Me* (based on the movie *You've Got Mail!*), visit classes, and take part in informative presentations on the various forms of ministry. This is also a wonderful opportunity for our students to experience the day-to-day life of students at our college. This trip has proven beneficial for students trying to make major decisions about their lives after high school and ministry in particular.

# HOMECOMING 2011

## KML PRESENTS

# *DOORWAY TO DEFEAT*

## (DISNEY STYLE)

Homecoming plans are progressing nicely. Hallway decorating will take place Sunday, October 2, from 6:00-9:00pm. The pep rally is on Friday night at 7:00pm with a bon-fire to follow (weather permitting). The homecoming banquet begins at 6:30pm with doors opening at 6:00pm. The dance will end at 11:30pm. Please be sure that rides are available to pick up your teen between 11:30 and 11:45pm. Our formal dress code is applicable for this evening. Please see the student handbook for additional information.

All students received a parent approval form needing your signature. This form must be returned in order for your student to participate at the banquet and dance. Please sign and list your contact number for the evening of our homecoming banquet. Have your student return it to the school office no later than Tuesday, October 4. We hope that homecoming 2011 will provide many pleasant and long-lasting memories.

### HOMECOMING PARTY GUIDELINES

With homecoming arriving soon, the following is meant to be of assistance to parents whose children will be attending and hosting parties.

#### **Suggested Guidelines for Parents of Teenagers Attending a Party**

Parents should know where their teenagers are. Obtain the address and phone number(s) of the party-giver.

Contact the parents of the party-giver: a) to verify the occasion; b) if you are able, offer assistance to help as a chaperone or as a chauffeur; c) make sure a parent will be visibly present; and d) be certain that alcohol and other drugs will not be permitted.

Discuss with your teen how to handle a situation in which alcohol or other drugs are available at a party. Let your teen know what to expect. Help your teen develop a plan for refusing alcohol and other drugs. Tell them to call you to be picked up if alcohol or other drugs are present.

Establish a time when your teen will be home from the party.

If your teen plans to stay overnight with a friend after a party, check with the parents of the friend in advance to verify that they will be home and that they are okay with your child staying overnight. Spontaneous sleepover arrangements can be made if both sets of parents are aware of the plans and if both give permission.

#### **Suggested Guidelines for Parents Hosting a Party**

Set the ground rules with your teen before the party. Let your child know what you expect. It is important to emphasize shared responsibility for hosting the party.

A parent should be at home during the party. A parent should bring the snacks and non-alcoholic beverages. Not only will your presence help keep the party running smoothly, but it will also give you an opportunity to meet your teen's friends.

It is illegal to offer alcohol to guests under the legal drinking age, even if your guests are staying overnight.

Limit party attendance and times. Small groups are easier to handle. Set time limits that allow teens to be home at a reasonable time. (A reminder that Wisconsin law states that teens – during the first nine months of having their license or until they turn 18 – cannot be driving between midnight and 5:00am without a parent or guardian.)

Guests should not be allowed to come and go.

Don't welcome people who were not invited to the party. Respectfully ask them to leave. If you do determine that you want to allow the non-invitee to come in, contact his/her parent to make sure everyone is on the same page.

Anticipate phone calls from parents and try to answer questions clearly and fully.

*Fiddler on the Roof* centers on Tevye, the father of five daughters, and his attempts to maintain his family and religious traditions while outside influences encroach upon their lives. He must cope with both the strong-willed actions of his three older daughters—each one's choice of husband moves her further away from the customs of her faith—and with the edict of the Tsar that evicts the Jewish people from their village.

**Please join us to experience the beautiful music, the exciting dancing, the humorous and solemn conversations, and the emotional story of Tevye and Golde, their five daughters, and all the people from the village of Anatevka.**

## JOIN US FOR OUR FALL CONCERT

Join us for the fall band and choir concert on October 12 at 7:00pm! The KML bands will be commemorating the tenth anniversary of September 11, 2001 with a New York theme. Wind Ensemble will perform Eric Ewazen's *Hymn for the Lost and the Living*. Taking inspiration from that work, Art 2 and 3 students will display pastel paintings commemorating 9/11. Guest artist Chris Behrs provided assistance to the students as they explored their thoughts, feelings, and the medium. Miss Schaffer and her art students are looking for donors to help with the cost of framing the artwork. They plan to auction the work and donate the proceeds to a 9/11 or military charity. If you are interested in helping, please contact Miss Schaffer at 262-677-4051, ext. 1165.

## INTERESTED IN VOICE LESSONS?

Mrs. April Marquardt is excited to be teaching voice lessons for the seventh year at KML. It is very convenient for the students to be able to use part of their study hall or choir to have a private lesson instead of having to schedule it during the evening or weekend. During a voice lesson, students learn proper vocal techniques that will help them to use their gift of voice to give glory back to God! Students have opportunities to perform as part of pre-service for the choral Christmas concert and various KML recitals. It will also help them in their WSMA competitions. Currently Mrs. Marquardt has a few openings for new or returning students, and is also offering small group lessons to those who are interested. Students can contact Mr. Laabs at 262-677-4051, ext. 2308, for more information.
