## Why Join KML Chess?

1. Chess is a lifelong sport for all ages. There is no danger of injury that we know of.
2. You don't have to be “smart” to play chess; you get *smarter* playing chess.
3. Fulfill your volunteer service hours when you teach others what you know about chess.
4. We're flexible. You can drop in any time on chess club meeting days and play a game.
5. Play for fun or to learn, or *both*. The more you play the better you get.
6. Earn your letter when you play for KML.
7. Toughen up – There is always someone in the room who can beat you, and there is always someone in the room you can beat. No whining.
8. Competition with other schools will be offered for those who want to compete. Play JV or Varsity, including the state tournament in March.
9. Employers and college recruiters are impressed with chess players because they are mentally tough and can solve problems.
10. Live our motto, “We serve our King.”
