PUT YOUR SHOPPING DOLLARS TO WORK TO REDUCE KML TUITION/FEES

(FOR BOTH CURRENT AND FUTURE STUDENTS)

KETTLE MORAINE LUTHERAN HIGH SCHOOL

What is SCRIP?

SCRIP (**S**ubstitute **C**ash **R**ebate **I**ncentive **P**rogram) is a way to earn credit towards a current or future student's tuition and fees account at KML. KML purchases gift cards at a discount and then sells them to KML supporters at face value. This also generates support for tuition assistance and other school programs. The goal is for you to purchase SCRIP and use it **in place of money** when you go shopping. You can support school programs and reduce your tuition and other fees **without spending a penny more than you normally would!**

Gift cards are available from over 700+ national and local retailers. Groceries, gasoline, restaurants, clothing, home improvements, online purchases, and vacations can all be purchased with SCRIP and used in place of cash, checks, or credit cards. Each card carries an associated "rebate contribution" of 2-15% or more.

70% of the net profit from each card you purchase can be credited to a current or future KML student tuition and fees account of your choice or to the KML Tuition Assistance Program! The other 30% of the net profit is used to pay for administrative costs and KML ministry support.

SCRIP PROGRAM

SCRIP is a way to earn credit towards a student's billing account (tuition and other fees). KML purchases gift cards at a discount and then sells them to KML supporters at face value. This also generates support for tuition assistance and other school programs. The goal is for you to purchase SCRIP and use it **in place of money** when you go shopping. You can support school programs and cut tuition costs **without spending a penny more than you normally would!**

The SCRIP year runs from April 1 through March 31. The money generated by your purchases is divided as follows:

1. **70% is credited to a current or future KML student account of your choice, received as a cash rebate mailed to you, or donated to the Tuition Assistance Program!**
   Current freshman, sophomore, and junior students will have the credit applied to their next year's tuition. Current senior families may apply their credit to their May payment, transfer their credit to another student, receive the amount as a rebate check mailed to them, or let it default to the tuition assistance program. In the case of a future student, the credit accumulates and is applied to the student's account their freshman year at KML.
2. **30% is used to pay** for the administrative costs of the SCRIP program first (keeping it a self-supporting program) and the remainder is then used for other areas of ministry support.

Everyone is encouraged to register at www.raiseright.com **to create an online account.** You will be asked for KML's Enrollment Code, which is ***171D68E32364L***. Registering will allow you to order online, and it will also give you access to view your accumulated rebate balance. Please note this figure is the total rebate, not the 70%. You are also able to reload some of your SCRIP cards online and some are available for immediate download.

The RaiseRight website provides a list of merchants, the discount percentage they give to KML, and the denominations they offer. SCRIP can be used with store or manufacturer coupons, and during specials or sales. Using SCRIP is like using cash!

The KML SCRIP Program Agreement form (attached) must be completed and returned to the school office before we can process your first order. If not already attached to this form, it can be obtained from the school office or at www.kmlhs.org/scrip. Additional order forms are also available in the school office or the KML website.

Treat SCRIP like CASH. If you lose it, it's gone. No replacements!

There are several different ways to order:
